

The site plan illustrates a cemetery layout with the following key features:

- Central Area:** A large yellow-shaded area labeled "Gräber" (Graves) containing numerous individual grave plots. It is bordered by a "Kiesfläche" (Gravel area) on the right and a "Boschung" (Slope) at the bottom.
- Left Side:** An "Aussegnungshalle" (Burial Chapel) with a thick black outline. It includes a "Rampe (Stahkonstruktion)" (Steel ramp) and a "Wasserleitung mit Bänke" (Water pipe with benches). A "Baum Neupflanzung" (New tree planting) is indicated near the chapel.
- Right Side:** The "St.-Michael-Kirche" (St. Michael's Church) with an "Eingang Kirche" (Church entrance). A "Klinker (20 cm x 20 cm)" (Clay brick) area is shown near the entrance. A "Grünfläche Bestand" (Existing green area) is located to the right of the church.
- Top and Bottom:** The plan is bounded by "Friedhofsmauer" (Cemetery wall) at the top and "Vogtberg" at the bottom. A "Baum Neupflanzung" is also marked near the top wall.
- Other Features:** A "Belag Platten mit Graniteinfassung" (Gravel plates with granite edging) area is shown near the top wall. A "Kiesfläche" (Gravel area) is also marked near the bottom right. A "Schacht" (Well) and "Wasser" (Water) feature are located near the church entrance.
- Elevation Points:** Numerous numerical elevation points are scattered throughout the plan, indicating the ground level at various locations.
